22 On July 24, 2007, a grand jury returned an indictment against defendant Coleman Lau.
23 To ensure the investigation was not compromised, the government requested and received an
24 order from the Court sealing the Indictment and all accompanying documents. The Court issued
25 a no bail arrest warrant. The government respectfully requests that the Court modify its sealing
26 order to allow a copy of the arrest warrant be provided to the United States Attorney's Office so
27 that the United States Fish & Wildlife Special Agent assigned the case can receive a copy of the
28 arrest warrant and arrest the defendant.
